Re: Application of City Communications, Incorporated for a Certificate of Public Convenience and Necessity to Provide Resold and Facilities-Based Local Exchange, Exchange Access and Interexchange Telecommunications Services in the State of South Carolina, and for Alternative and Flexible Regulation
Docket No. 2019-100-C

Dear Ms. Boyd:

The South Carolina Office of Regulatory Staff ("ORS") has reviewed the application and filings of City Communications, Inc. (the "Company") to assess the Company's financial, technical and managerial resources. Based on these reviews, ORS has concluded that the Company possesses the resources needed to provide the services requested and that the Company's request for a Certificate of Public Convenience and Necessity is consistent with the public interest. *See* S.C. Code § 58-9-280.

ORS does not intend to attend the hearing scheduled for June 10, 2019. Should you have any questions, please do not hesitate to contact me.

Sincerely,

C. Lessie Hammonds
